Sir:

Applicants note that the Notice of Allowability dated August 22, 2007 states, on Page 3, line 7, "collection of planes representing essential data". Applicants respectfully note that their claim language does not recite "essential data", and presume that the Examiner uses this term as a shorthand for the recited claim limitations (which have been summarized in an acceptable manner on Pages 2 - 3 of the Notice of Allowability).

Respectfully submitted,
